Product Title: 2m 8 Way Surge Protected UK Socket Tower Block with USB Type A and C Ports

Product Code: 27-8020S/USB | Brand: **connektgear**

DESCRIPTION

Our 8 socket tower extension block features a 20W USB Type C port and two USB Type A ports, allowing you to charge your devices quickly and efficiently. With built-in smart charging technology, it automatically detects connected devices and adjusts the power output for optimal performance - freeing up the main sockets for your standard appliances. Designed for homes, offices, workshops and any space where multiple devices need power, this extension tower keeps everything organised and charging simultaneously. It also includes a master on/off switch with integrated surge and overload protection, ensuring safe and reliable operation.
