

PRODUCT SPECIFICATION SHEET

Product Title: 3m 8 Way Horizontal Rack Mount Power Extension Block UK Plug to 8 x C13 Sockets - Black

Product Code: 27-8030/IEC/RM | Brand: **connektgear**

DESCRIPTION

Our horizontal rack mount power extension blocks are engineered to deliver dependable power distribution for professional server rooms, AV installations, and data centres housing critical IT hardware. This unit efficiently supplies power to up to eight C13 sockets from a single UK mains plug, ensuring organised and reliable connectivity within your rack setup. Built for long-term durability, it features robust metal housing and heavy duty cabling designed to withstand demanding professional environments.
