

PRODUCT SPECIFICATION SHEET

Product Title: 5m USB 3.2 Type C Module and 2m Input Cable

Product Code: 20-0018 | Brand: **connektgear**

DESCRIPTION

Our USB Type C module and input cable set supports 10 Gbps (Gigabits per second) data transfer. The high speed is useful for rapidly transferring large files and handling demanding peripherals. We include both the input and output cables within this set. This ensures a complete solution that eliminates potential signal degradation caused by incompatible third-party cabling, guaranteeing optimal performance right out of the box.

This module set allows up to 60W power delivery making it suitable for extending the connection to interact with the touchscreen, its functionality and high-powered peripherals.
