0.4m AV Snap-In 3.5mm Module 25 x 50mm - Socket to Socket - White

Brand: **connektgear**

Code: 20-0009

Box Qty: 250

Why do you need it?

You need a 3.5mm module as part of your AV install, with a module that will provide you with secure and convenient connections, whilst keeping things looking neat, tidy and professional.

What does it do?

The 3.5mm module snaps into your chosen AV faceplate; a simple set up with no wiring or soldering required. As part of the AV Modular Range this module provides a socket on the front of the module to connect your laptop or PC and a trailing socket on the reverse of the module to connect your Television, Projector, Speaker or Whiteboard etc.

Product Details

- The Universal AV Snap-in Modular Range is ideal for installing and concealing AV cables within walls or trunking.
 - You have the freedom & flexibility of choosing the connection combinations you require to create your own specific set-up.
 - Easy to install meaning reduced installation time and expense
 - Easily upgradable - designed to future proof your system
 - No soldering required!
 - Modules are designed to withstand the strain of cables being plugged in and out of the socket. The clips are made to a deeper than usual depth to ensure a stronger/firmer hold to the faceplate.
 - Lifetime warranty
