

PRODUCT SPECIFICATION SHEET

Product Title: KB235 USB Standard UK Layout Keyboard & 3 Button Optical Mouse - Black

Product Code: 24-0235 | Brand: **connektgear**

DESCRIPTION

Our keyboard combines durability and functionality with a sleek design. It's water-resistant construction ensures protection against spills, making it ideal for busy environments and its laser-printed keys ensure the keys won't fade. The standard UK layout provides all the essential keys, while the USB 2 connectivity offers easy plug and play set up across a range of devices. Built for comfort, the keys offer a smooth, quiet typing experience and the classic black finish fits seamlessly into any workspace.

Our USB 2 Type A, 3 button mid-size mouse is designed for comfortable use by both left and right-handed users. Its high-resolution sensor provides precise cursor control, while the grooved scroll wheel ensures a secure grip. The durable construction is built to withstand everyday use.
