PRODUCT SPECIFICATION SHEET
Product Title: KB238 Wireless Multimedia UK Layout Keyboard & 5 Button Optical Mouse - Silver With Black Keys
Product Code: 24-0238 | Brand: **connekt**gear

DESCRIPTION
Our wireless multimedia keyboard and mouse set naturally enhances your workspace, combining a sleek silver design with contrasting black keys for a modern look that suits both home and office setups. With reliable wireless connectivity, simple plug and play setup, and long lasting performance, the KB238 combo is a practical and stylish solution for everyday computing.

The full-size UK layout keyboard features low profile keys for quiet, responsive typing, along with dedicated multimedia shortcut keys, including an emoji key, that let you control music, volume, and playback at the touch of a button. Its slim design helps reduce desk clutter while maintaining a familiar, comfortable typing experience.

Paired with the keyboard is a wireless 5 button optical mouse, offering smooth tracking, precise control, and added navigation buttons for improved productivity. The ergonomic shape fits naturally in the hand, making it ideal for long working sessions.

Please note: Dongle for both keyboard and mouse is located in the bottom of the mouse.
